

National Day Celebration 2010 cum Parents' Involvement Day

Our school held our Parents' Involvement Day on 6 August 2010 in conjunction with the National Day Celebrations this year.

More than 30 parents participated enthusiastically and some were also dressed in red and white to join in the fun. Parents and children had great fun playing the Treasure Hunt, drawing the icons of Singapore and trying to answer the questions related to Singapore!

Thank you parents for your support and participation!
